Watch the video and practise your signing.
Which is your favourite wild animal?

Carrying on with the theme of wild animals today, I want you to create some art thinking about animal print.

Look at the examples in the pictures, which animal print do you like the most? Can you design your own print? or copy an animal print but using different colours?

I have attached a t-shirt template so you can design your own t-shirt with your chosen animal print design.
