

<b>Foundation Pathway</b>					
<b>Course</b>	<b>Level</b>	<b>Duration</b>	<b>Description</b>	<b>Entry Requirements</b>	<b>Progression to</b>
<b>Learning for Life (PMLD)</b>	Pre-Entry	One or two years	This programme is a person-centred learning programme for young people with profound and multiple learning disabilities (PMLD). The programme aims to: allow learners to become involved within the college environment and build relationships with peers; encourage access to the wider community and promotes independence through a variety of activities; develop and build on communication to enable learners to make informed choices; develop physical and cognitive ability to promote independence and prepare and support learners for life after college.	There are no formal entry requirements.	Entry 1 Foundation Pathway
<b>Foundation Study Programme - Entry Level Independence and Life Skills</b>	Entry Levels 1 and 2	One or two years	Learners will be equipped with skills for life through skill and experience based person-centred projects to help them decide on their future goals. All learners work at their own level and pace with individual targets. Subjects studied include Independent Living Skills, Art and Design, Sport, Music, Environmental Studies, Healthy Living, ICT and Social Skills. Key goals include community contribution and improved independence. Learners will take part in internal work-related placements and include these skills within their curriculum.	There are no formal entry requirements.	Entry level 1 to entry level 2 Foundation Pathway  Entry Level 2 to Explorer Pathway
